A hand-drawn perspective view of a container, likely a bucket or bin, with a lid. The container body is labeled 14. The lid is labeled 22. A latch mechanism is shown on the lid, consisting of a rectangular component 38 and a circular component 42. A dashed line indicates a recessed area 39, with a label 'level' pointing to it. A hinge or pivot point is labeled 26, and a small circular feature is labeled 30. A label 112 points to the side of the container. A label 64 points to the front edge of the container body. A label 38 points to the latch mechanism. A label 42 points to the circular component of the latch. A label 22 points to the lid. A label 14 points to the container body. A label 26 points to a hinge or pivot point. A label 30 points to a small circular feature. A label 112 points to the side of the container. A label 64 points to the front edge of the container body.
